

Commercial Range

About Matrix

Established nearly a decade ago, Matrix is now recognised as the UK's leading steam cleaning machine manufacturer with an extensive portfolio of high quality light commercial to industrial 4.5 bar and 8 bar cleaning systems.

With our head office based in Lancashire and a network of over 100 carefully selected trade dealers, we are able to provide a full nationwide distribution service for our steam clean machines supported by a thorough maintenance service and extensive availability of spare parts.

Commercial Range

At matrix we have been providing commercial cleaning equipment to the majority of the UK commercial and business sectors since 2001.

Our steam cleaning machines can be found in almost every town and city providing reliable and thorough commercial cleaning solutions. Our machines and very durable, well built and extensively tested to make sure they operate at there optimum efficiency for long periods of time.

SO8000

SO4500

Steam

The SO8000 is a commercial/industrial 8 bar pressure steam only cleaning system designed for heavily soiled areas requiring cleaning utilising steam only. Made from a stainless steel construction featuring a continuous fill boiler system allowing refill at any time during operation.

Steam - Detergent - Vacuum

The SDV8000 is a commercial/industrial 8 bar pressure steam cleaning machine incorporating a chemical delivery system. It is made from a stainless steel construction featuring a continuous fill boiler system allowing refill at anytime during operation and comes complete with an integral vacuum system that has been awarded a Clean Show Innovation Award for its unique design. High temperature steam penetrates deep into surfaces sanitising and killing bacteria in a wide variety of commercial environments and the integral vacuum ensures surfaces are left clean & dry.

Accessories Included

- 4m steam, vac & detergent hose
- 2 x extension tubes
- 250mm glass washer
- 5 x round nylon brushes
- 5 x round brass brushes
- Upholstery tool
- 400mm floor brush nozzle
- 400mm floor brush insert
- 400mm squeegee insert
- 400mm carpet insert
- 150mm steam & vac nozzle
- 150mm steam & vac brush
- 150mm steam & vac squeegee
- Short steam lance
- Crevice tool
- Long steam lance
- Service kit
